

TAILGATE 2001

HOMEcoming 2001 is on October 5, 2001 and the Alumni Association invites all Heath Alumni and their families to once again join us at our annual tailgate party. "TAILGATE 2001" will begin at 5:30 in the front entrance of Heath High School.

Bring your family for free hotdogs, chips, cookies and drinks. Enjoy meeting other alumni under our orange lights and see what your alumni association has for you. Meet, greet and eat before the 7:30 kickoff in the new Heath High football facilities.

It is always fun at the Homecoming Tailgate. The price is right, the company is the very best, and the Bulldogs will bring home another victory.

Looking forward to seeing all of you October 5th.

It is our honor to be able to recognize her achievements and to call Heather a Heath Alumnus.

A PARTY THAT NEEDS YOU!

By Jodie McLaughlin Harter '72

The Heath Alumni is planning a 'Farewell To Fulton' party when Fulton closes. This will be an all day event with the schools and community involved.

Gary Wimer will be our liaison between the school board and the Alumni Board.

Some of the ideas that we have come up with are entertainment all day with an evening dance, a cruise in, raffles, game booths, dunking booth with school board members and teachers, craft show, auction and cats meow of the schools. This will be a large event and we need people to head up the different committees. This will take a while to plan, so we need to get started.

If you would be willing do help in any way please call me at 323-3543 after 5 P.M. We want this to be a special day and say "Farewell to Fulton" with a bang. Please help out with this and give me a call.

Jodie
